**MEMORANDUM OF UNDERSTANDING  
BETWEEN  
CITY OF HEMET  
AND  
HEMET POLICE OFFICERS ASSOCIATION, INC.**

This Memorandum of Understanding (hereinafter "MOU") is entered into between the City of Hemet (hereinafter "City") and the Hemet Police Officers Association, Inc. (hereinafter "Association"), pursuant to the provisions of the Meyers-Milias-Brown Act. This MOU shall be effective for the period from July 1, 2016 through June 30, 2021; and thereafter shall continue in effect year-by-year unless one of the parties notifies the other in writing no later than March 31, 2021 of its request to modify, amend or terminate this MOU no later than March 31st of any year after 2021.

ARTICLE I - RECOGNITION

- 1.1 The City reaffirms its recognition of the Association, in conformance with Ordinance No. 682, as the exclusive representative of all Police Department employees within the classifications of:

Police Corporal  
Police Officer  
Police Investigator

The Association does not represent part-time employees.

- 1.2 Nothing in the above shall be construed as requiring an employee to join the recognized Association nor to maintain his or her membership in the recognized Association as a condition of employment.

ARTICLE II - MANAGEMENT RIGHTS

- 2.1 It is understood and agreed that the City retains all of its powers and authority to direct, manage and control to the full extent of the law. Included in, but not limited to, those duties and powers are the exclusive right to:

Determine its organization; direct the work of its employees; assign work not expressly covered by job description, determine the times and hours of operation; determine normal working hours and to schedule shifts accordingly; determine the kinds and levels of services to be provided, and the methods and means of providing them, establish its municipal policies, goals and objectives, make technological improvements; determine staffing patterns; determine the number and kinds of personnel required; maintain the efficiency of City operations; build, move or modify facilities; establish budget procedures and determine budgetary allocation; determine the methods of raising revenue; contract out work in accordance with law; creating, maintaining and/or terminating the take home vehicle use program; and to take any action necessary to meet conditions of any emergency nature, provided that the Association shall be afforded the

opportunity to meet and confer concerning the necessity of any such action if inconsistent with this MOU. In addition, the City retains the right to hire, classify, assign, evaluate, promote, terminate, transfer and discipline employees.

- 2.2 The City Manager may lay off a unit member because of shortage of work, lack of funds, material change in duties or organization, or for other valid reasons.
- 2.3 The City has the exclusive right and authority to schedule work and/or overtime work as required in the manner most advantageous to the City.
- 2.4 The exercise of the foregoing powers, rights, authority, duties and responsibilities by the City, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and express terms of this MOU, and then only to the extent such specific and express terms are in conformance with law.
- 2.5 This clause shall be interpreted and applied consistently with all other specific provisions of this MOU which deal with such management rights.

### ARTICLE III - SALARIES

- 3.1 Classification and Compensation Study . The parties agree that during fiscal year 2019-2020, the City will engage a third party to conduct a classification and compensation study of the positions represented by the Association. The City, in its sole discretion, may also include additional positions that are not represented by the Association. The third party will also be tasked with identifying those agencies most comparable to Hemet to use during the classification and compensation study. The parties agree that agencies that have previously been designated as comparable will be considered, but there is no obligation to include an agency simply because it was previously used.
- 3.2 Police Officer Trainee Salary. Police officer trainees shall receive a salary equal to 75% of the current Step A rate for police officers. This rate shall be applicable until a police officer trainee is moved to the classification of police officer, at which time, the police officer shall then receive 100% of the step A rate for police officers until advanced to the next step. The police officer's salary anniversary date shall be six months from the first day of his/her change from the classification of police officer trainee to the classification of police officer. Nothing in this section shall be deemed an amendment to existing personnel rules, including but not limited to Article 14 thereof.
- 3.3 Minimum Court Time. Unit members shall be granted a minimum of three (3) hours credit (compensatory or paid) for a required court appearance during non-scheduled off-duty hours where such appearance is related to City business, Beyond the three (3) hour minimum, unit members shall be given credit for the actual number of non-duty hours. In the event that a court appearance is required during scheduled duty hours (either before or after the shift), the employee shall be paid only or actual time spent in court.

- 3.4 Minimum Shoot Time. Unit members required to qualify with firearms shall be granted a minimum of two (2) hours credit (compensatory or paid) for required time at the firing range. Beyond the two (2) hour minimum, unit members shall be given credit for the actual number of non-duty hours. In the event that shoot time is required during scheduled duty hours but extends into non-scheduled hours (either before or after the shift), the employee shall be paid only for actual time spent at the firing range.
- 3.5 Minimum Call Back Time. An employee shall be granted a minimum of two (2) hours credit (compensatory or paid) for a required call back to duty during hours where such call back is related to City business. Any other call backs or work performed during the time covered by the two (2) hour minimum shall not entitle the employee to additional compensation. For example, if an employee is called back to work from 8:00 p.m. to 8:20 p.m. and again from 9:00 p.m. to 9:15 p.m., the employee would only be entitled to a single two (2) hour minimum call back because both call backs were completed within the two hours. Beyond the two (2) hours minimum, such an employee shall be paid at the overtime rate of pay. For purposes of this paragraph, "minimum call back time" will not apply to an employee held over at the end of his or her regular shift. Call back time begins when the officer makes himself or herself available for Department business and in fact begins handling Department business.
- 3.6 The City shall periodically audit and update job classifications, revising descriptions for those employees working out of classification. The Association shall be entitled to actively participate with its input in regard to matters pertaining to unit employees.
- 3.7 The City shall compensate commensurately those employees temporarily upgraded to fill supervisory positions. Training positions, of designated period and objective, are exempted from the above.
- 3.8 (a) Compensatory Time. Employees are authorized to accumulate not more than eighty (80) hours of compensatory time in lieu of overtime compensation. Such compensatory time shall be earned at the rate of one and one-half hours for each hour of employment for which overtime compensation is required.
- (1) An employee who has requested the use of earned compensatory time shall be permitted to use such time within a reasonable time period after making the request if the use of the compensatory time does not unduly disrupt the operations of the department.
- (2) An employee at any time may request compensation for any compensatory time earned. Such compensation shall be paid at the regular rate earned by the employee at the time the employee receives such payment. Such compensation shall be included in the employee's regular bi-weekly payroll check.
- (3) An employee who has accrued compensatory time off shall, upon termination of employment, be paid for the unused compensatory time at the rate of compensation not less than (A) the average regular rate

received by such employee during the last three (3) years of the employee's employment, or (B) the final regular rate received by such employee, whichever is higher.

(4) The City will not compel an employee to reduce his or her compensatory time bank through mandatory time off.

(b) Holiday Bank (Compensatory) Time. In addition to the provisions of Section 3.8(a) employees may accumulate compensatory time in lieu of holiday pay, at the same rate at which such time would have been paid. Notice of the exercise of this option shall be given in the manner directed by City. Time accumulated pursuant to this subsection may be sold in increments of not less than 8 hours unless the balance of the employee's accumulated time is less than 8 hours, in which event the entire balance thereof may be sold. All such accumulated time shall be sold in the last pay period of each calendar year.

3.9 Overtime. Time worked which exceeds an employee's scheduled shift, upon approval of employee's duty watch commander, shall be compensated at a rate of one and one-half times the employee's hourly regular rate of pay.

Overtime compensation shall be payable to employees in cash or compensatory time off, at the election of the employee, provided that the election concerning compensatory time shall be consistent with Section 3.8.

For purposes of this section, shift trades shall not be deemed as overtime, provided that such shift trades are for the sole convenience of the employees.

3.10 K-9 Officer Compensation. All assigned K-9 officers will receive additional compensation per pay period in an amount equal to seven (7) hours of overtime pay, calculated at the overtime rate described in MOU Section 3.9.

3.11 Longevity Pay. Effective on the first day of the first pay period after July 1, 2017, all unit members with ten (10) years or more of service as a sworn peace officer shall be paid a stipend of five percent (5%) of base salary. The unit member is responsible for notifying the Department in writing when he/she achieves 10 years of applicable service. Retroactive pay will be limited to one month prior to the notification to the Department.

3.12 Patrol / SRO Incentive. Effective on the first day of the first pay period after July 1, 2017, unit members who are primarily assigned to Patrol or School Resource Officer, have successfully passed probation, and served a minimum of three (3) years as a full-time sworn peace officer, shall be paid a stipend of two percent (2%) base salary for the period of time they remain assigned to Patrol or School Resource Officer.

Unit members at the top step E as of July 1, 2016, and who received a rating of “MEETS STANDARD”, “ABOVE STANDARD” or “OUTSTANDING” on their annual performance evaluation, will be elevated to step F, retroactive to the member’s salary anniversary date, if the salary anniversary date occurred before the City Council approves this Agreement. Unit members whose salary anniversary date occurs after the City Council approves this Agreement and who are at the top step E will be eligible to be elevated to step F, effective on the date of their next “salary anniversary date” provided the member receives a rating of “MEETS STANDARD”, “ABOVE STANDARD” or “OUTSTANDING” on their annual performance evaluation.
- (b) Effective the first day of the first pay period beginning after July 1, 2018, the base salary of all classifications shall be increased by a minimum of two percent (2%) and a maximum of six percent (6%) based on the percentage rate of growth in the Bradley Burns uniform sales tax revenue from fiscal year 2015-2016 to fiscal year 2016-2017. If the increase is between zero percent (0%) to two percent (2.0%), the salary increase will be two percent (2.0%). If the increase is more than two percent (2.0%), the salary increase will be the same as the sales tax increase, up to a maximum of six percent (6%). For example, if the general sales tax revenue increases 0.8%, there will be a 2.0% salary increase; if the general sales tax revenue increases 4.1%, there will be a 4.1% salary increase. If the general sales tax revenue increases 7.2%, there will be a 6% salary increase.
- (c) Effective the first day of the first pay period beginning after July 1, 2019, the base salary of all classifications shall be increased by a minimum of two percent (2%) and a maximum of six percent (6%) based on the percentage rate of growth in the Bradley Burns uniform sales tax revenue from fiscal year 2016-2017 to fiscal year 2017-2018. If the increase is between zero percent (0%) to two percent (2.0%), the salary increase will be two percent (2.0%). If the increase is more than two percent (2.0%), the salary increase will be the same as the sales tax increase, up to a maximum of six percent (6%).
- (d) Effective the first day of the first pay period beginning after July 1, 2020, the base salary of all classifications shall be increased by a minimum of zero percent (0%) and a maximum of six percent (6%) based on the percentage rate of growth in the Bradley Burns uniform sales tax revenue from fiscal year 2017-2018 to fiscal year 2018-2019. The salary increase will be the same as the sales tax increase, up to a maximum of six percent (6%). For example, if the general sales tax revenue increases 0.8%, there will be a 0.8% salary increase.
- (e) The salary of the Corporal classification shall be computed from the top step of the Police Officer salary as follows:

- (i) During probation as Corporal, salary shall be five percent (5%) above the highest police officer salary step.
- (ii) The Corporal's salary anniversary date shall be six (6) months from the first day of his/her change from the classification of Police Officer to the classification of Corporal. A Corporal is eligible to have his/her salary increased from step C to D after six (6) months when he/she achieves at least a "MEETS STANDARDS" performance evaluation.
- (iii) The Corporal classification shall have a total of three steps (C, D, and E) with a five percent (5%) differential between each step. The provisions of Section 3.13(a), above, shall not apply to Corporals. Effective July 1, 2016, the Corporal salary steps will be increased to maintain the five percent (5%) ratio set forth in section 3.13(e)(i). Members in the Corporal classification will have their pay rate adjusted effective July 1, 2016, but will remain at the same step as they were at as of July 1, 2016, with any future increases based on merit. Corporals are not eligible for the retention bonus set forth in section 3.15, below.

3.14 Recruitment Bonus for New Hires.

- (b) The one-time signing bonus is to be paid in two installments: the first, in the amount of ten thousand (\$10,000) dollars, at the time of hire; the second, in the amount of five thousand (\$5,000) dollars, upon successful completion of probation. Pursuant to the City's Personnel Rules, Article 11.1, the probationary period shall be twelve (12) months for Police employees, unless the employee is notified in writing of a longer period in accordance with Section 11.3 of the Personnel Rules.
- (c) Payment is contingent upon the unit member's execution of a written service agreement agreeing to repay the bonus under specified terms (see sample Agreement in Appendix A). A unit member who fails to complete the specified period of service shall be indebted to the City and shall repay the bonus on a pro-rata basis under established procedures set forth by 5 Code of Federal Regulations, Part 550, Subpart K. The amount to be repaid shall be determined by providing credit for each full month of employment under the service agreement. Repayment shall not be required for a unit member whose service is not completed as a result of an involuntary termination or separation on or before the employee's completion of three (3) years of service. The City Manager, may, waive repayment if recovery is determined to not be in the City's best interests; such determinations must be in writing, with a copy sent to Human Resources.

Employees who pass the examination will be certified as bilingual by the City.

Employees who are certified as bilingual by the City shall not be required to recertify to continue to receive the bilingual pay.

The City agrees to notify new employees of the bilingual pay program during orientation.

- 4.13 Workers' Compensation Follow-up Appointments. Work schedules for injured employees who have returned to limited duty status will be arranged as much as practical to permit injured employees to keep physician appointments and any prescribed physical therapy. To the extent possible, follow-up appointments shall be scheduled at the convenience of the department and at a time that has the least impact upon departmental operations and upon the employee's assigned duty schedule. Employees who have work schedules that do not permit them to make appoints during normal work hours or in instances in which the appointment must reasonably be made during off-duty hours, will receive the equivalent of two (2) hours of time to attend the appointment.

- (d) The City may require a doctor's certificate at any time as proof of illness, by a doctor of City's choice and at City's expense.
- (e) A sick leave request form shall be completed at the department level.
- (f) A unit member absent on approved sick leave for less than one full working day shall have his/her accumulated sick leave reduced by the number of hours of such absence.

5.2 (a) Vacations. Full-time unit members will accrue vacation leave in accordance with the following schedule:

- During the first three years of service, unit members shall accrue ninety-six (96) hours of vacation leave per year.
- After three (3) full years of service, unit members shall accrue one hundred twenty (120) hours of vacation leave per year.
- After six (6) full years of service, unit members shall accrue one hundred forty-four (144) hours of vacation leave per year.
- After nine (9) full years of service, unit members shall accrue one hundred sixty (160) hours of vacation leave per year.
- After twelve (12) full years of service, unit members shall accrue one hundred sixty-eight (168) hours of vacation leave per year.
- Unit members hired between the first and fifteenth of the month shall be credited with eight (8) hours of vacation leave for the month of hire; unit members hired between the sixteenth and the last day of the month shall begin to accrue vacation leave on the first day of the following month.

(b) Eligibility for Vacation Use. Unit members shall be eligible to take vacation leave following twelve (12) months of full-time, continuous service with the City. Under extraordinary circumstances, the City may, at its discretion, permit a unit member to take vacation leave prior to the completion of twelve (12) months of full-time, continuous service with the City.

(c) Maximum Accrual. Unit members may carry over a maximum of one years' accumulated vacation leave to the succeeding calendar year. A unit member will cease accruing additional paid vacation leave once he/she has two years accrued vacation on his/her vacation balance. In the event a unit member is denied the use of his or her full accrual in any calendar year, the unit member's cap under this Article 5.2(c) shall be increased by the amount of vacation denied by the City. For purposes of this Article, in order to be deemed to have been denied the use of vacation, (i) the unit member must have offered multiple alternate dates for vacation, all of which were denied; and (ii) the amount of vacation denied shall be based on the entire year and not on any single instance in which a unit member's vacation request was denied.

The maximum amount will be temporarily increased by an additional year, so that members may carry over a maximum of three years accumulated vacation leave to the succeeding year. A unit member will cease accruing additional paid vacation leave once he/she has three years accrued vacation on his/her vacation balance. This temporary increase will sunset on June 30, 2020. At that time, members will

not accrue any additional paid vacation until he/she reduces his/her vacation balance below two years of accumulated vacation.

- (d) Unit members may defer up to, but not more than, two years' accumulated annual vacation leave to the succeeding calendar year. This maximum amount will be temporarily increased to three years' accumulated annual vacation leave as set forth in section 5.2(c), above. This increase will sunset on June 30, 2020.
  - (e) Holidays During Vacation Leave. In the event that one or more holidays fall during a period when an employee is on vacation leave, such holiday(s) shall not be charged as vacation leave, and the leave shall be extended accordingly. The hour value for each holiday shall be equivalent to the employees' regularly scheduled work period, i.e. if the holiday falls on a regularly scheduled ten (10) hour work day, the employee's time off is ten (10) hours. If the holiday falls on a scheduled eight (8) hour work day, the holiday time is eight (8) hours.
  - (f) Pay for Accumulated Vacation Leave. Unit members who leave the employment of the City shall be paid for all accumulated vacation leave at his/her base salary at the time he/she leaves the employment of the City.
  - (g) Vacation Sale. Unit members with more than two (2) years of service may sell unused vacation time in an amount not to exceed fifty percent (50%) of that earned in the preceding twelve (12) month period. The sum of the calculation shall be based on the employee's base salary at the time of the sale.
  - (h) Break in Service. For the purpose of vacation leave accrual, unit members with a break in service with the City of not more than one year shall be given credit for previous service.
- 5.3 Military Leave. Military leave shall be granted in accordance with the applicable provisions of federal and state law. Unit members may use accrued vacation during all military leave and training, including during a unit member's probationary period.
- 5.4 Jury Leave. Any employee who is called or required to serve as a trial juror shall be entitled to a leave of absence during the period of such service or while necessarily being present in court as a result of such call. Under such circumstances and for a maximum of two weeks duration, the employee shall be paid the difference between his/her salary and any payment received by him/her, except travel pay, for such jury duty. Any jury duty beyond two weeks shall be without pay.
- 5.5 Extended Leaves of Absence. The City Manager may, upon written request of a permanent employee, grant a leave of absence without pay for a period not to exceed one (1) year. Failure on the part of the employee on leave to report to the City Manager promptly at the expiration of the leave, or within a reasonable time after notice by the City Manager to return to duty after such leave, shall be cause for discharge.

- 5.6 Serious Family Illness Leave. Employees may use up to three (3) days of serious family illness leave in each calendar year. Serious family illness leave may be used when a member of the employee's immediate family has a sickness or disability that requires the immediate attention and care of the employee. Immediate family means the employee's father, mother, legal guardian, brother, sister, spouse, children, mother-in-law, father-in-law, grandmother, grandfather, or grandchildren. Employees shall furnish, if required by the Chief of Police, satisfactory proof showing the nature and extent of the sickness or disability to justify the use of serious family illness leave. Serious family illness leave shall not accumulate from year to year. The hour value of a day in this section is equal to the number of hours an affected officer is absent from his/her regularly-scheduled shift in a 24-hour period. A day will commence with the beginning of an officer's scheduled work day. Thus, if an officer took one hour during a given 24-hour period, he/she would be charged with the use of one day.
- 5.7 Bereavement Leave. Employees may use up to three (3) days of bereavement leave in each calendar year, in cases where their absence is required due to a death in the employee's immediate family. Immediate family shall be defined in the same way as it is for Serious Family Illness Leave, Section 5.6 above. Bereavement leave shall not accumulate from year to year. The hour value of a day in this section is equal to the number of hours an affected officer is absent from his/her regularly-scheduled shift in a 24-hour period. A day will commence with the beginning of an officer's scheduled work day. Thus, if an officer took one hour during a given 24-hour period, he/she would be charged with the use of one day.

## ARTICLE VI - HOLIDAYS

- 6.1 Unit members shall be granted the following holidays:
- (a) New Year's Day (January 1)

If a holiday occurs on a day which is the full-time employee's regular day off, he/she shall be entitled to holiday pay at the hour value that is equivalent to the employee's scheduled work period, i.e. for employees on a regularly scheduled ten (10) hour work day, the holiday pay shall be ten (10) hours. For employees on a regularly scheduled eight (8) hour work day, the holiday pay shall be eight (8) hours.

If the holiday falls on a scheduled eight (8) hour work day, the holiday time is eight (8) hours. Employees who work on a holiday shall either be paid the hour value that is the equivalent to the employee's scheduled work period or bank the hour value as Holiday Bank Time.

#### ARTICLE VII - PERSONNEL REDUCTION PROCEDURE

- 7.1 Seniority. When the City orders a reduction in the work force, the layoff of unit members shall be based upon seniority within classification.
- 7.2 Seniority Date. A unit member's seniority date shall be the first day he/she rendered service for the department in his/her classification. The seniority date of a returning unit member, more than one year after resignation or termination, shall be the first working day after the break in service, provided that no credit will be given for the time actually missed.
- 7.3 Probationary Employees. Unit members on probationary status (new employees and promotional employees) shall be laid off before permanent employees in the same classification.
- 7.4 Ties in Seniority. Unit members in the same classification with equal seniority shall be laid off based upon past performance ratings and relative ability as determined by the City.
- 7.5 Voluntary/Involuntary Reduction in Rank .A unit member who is subject to layoff may, in lieu of layoff, choose to take a reduction to a lower classification, provided he/she gives written notice to his/her department head ten (10) calendar days after receiving notice of layoff. In order to exercise bumping rights, the unit member must have previously served in the lower classification prior to the seniority date of the unit member being displaced. Notwithstanding the foregoing, a unit member may not be involuntarily reduced to a classification of rank beyond the next lower classification or rank which he/she currently holds.

- 7.6 Notice. The City shall give affected unit members written notice 14 days prior to the effective date of the layoff. Under emergency circumstances, the notice period may be shortened.
- 7.7 Reemployment. Unit members laid off or taking voluntary reduction in service shall be reemployed in the inverse order of their layoff or reduction. Unit members laid off or taking a voluntary reduction in rank shall be maintained on the reemployment list until such unit member once refuses to accept reinstatement.

#### ARTICLE VIII - NONDISCRIMINATION

- 8.1 The provisions of this MOU shall apply to all persons covered by this MOU without discrimination on account of sex, age, race, color, national origin or creed; nor will there be discrimination in respect to hiring and retention or any condition of employment because of membership in or activities on behalf of the Association.
- 8.2 The Association has no restrictions on membership based on sex, age, color, race, national origin or creed.

#### ARTICLE IX - DISCIPLINE AND DISCHARGE RULES AND REGULATIONS

- 9.1 The City shall have the right to issue reasonable employee rules and regulations not in conflict with the express terms of this Memorandum of Understanding, provided that such rules and regulations are:
- (a) Discussed with the Association prior to adoption;
  - (b) Submitted to the Association prior to adoption; and
  - (c) Posted in conspicuous places so that employees are advised and have notice of such rules and/or regulations prior to their implementation.
- 9.2 Probationary Period. Notwithstanding the provisions of any other document pertaining to probationary periods, the probationary period for all unit members following initial appointment is one year from date of hire. The probationary period for a promotional appointment is one year from date of promotion. Should the employee fail to satisfactorily complete his/her probationary promotional period, he/she shall be returned to the classification and rate of pay previously held in the department. Police trainees who are promoted to police officer shall serve a one-year promotional probationary period. However, should such an employee not satisfactorily complete the promotional probationary period, he/she shall be terminated and shall not be returned to the classification of police trainee.
- 9.3 The City shall have the right to discipline and discharge regular employees for "just cause." The Chief of Police shall have the authority to administer discipline in severity up to and including thirty (30) days' suspension. More severe discipline (reduction in salary, demotion, and termination) shall be imposed by the City Manager upon a report and

recommendation by the Chief of Police. Probationary employees (original probationary period) do not acquire property or vested rights to their position except as provided by law.

- 9.4 Procedural Due Process. Regular employees have the right to procedural due process rights with respect to pre-disciplinary/discharge matters.

As a minimum, these pre-removal safeguards must include notice of the proposed action, the reasons therefor, and a copy of the charges and materials upon which the action is based and the right to respond either orally or in writing, to the authority initially imposing discipline.

- 9.5 Discipline Procedural Appeals Steps. Discipline imposed by a supervisor of less rank than the Chief of Police may be appealed to the Chief of Police by providing written notice thereof to the Chief of Police within ten (10) working days from the date of the decision.

Decisions or discipline made or imposed by the Chief of Police may be appealed to the City Manager by providing written notice thereof to the City Manager within ten (10) working days from the date of the decision.

The decisions of the City Manager may be appealed in the manner prescribed in Section 10.12 of this agreement.

#### ARTICLE X - GRIEVANCE APPEALS PROCEDURE

- 10.1 Grievance. A "grievance" shall mean a written allegation by an employee(s) or the Association concerning a dispute arising out of the interpretation or application of the specific terms of this Memorandum of Understanding and/or written employment policy, rules and regulations which affect terms and conditions of employment. An authorized Association representative may file a "grievance" on behalf of all employees to avoid a multiplicity of grievances over the same dispute.
- 10.2 Complaint. The parties acknowledge that employee complaints or problems of a nondisciplinary nature, not covered by the grievance procedure, and which have in the past been processed through the Police Department Complaint Procedure, may continue to be resolved through that procedure.
- 10.3 Representatives. The employee or City may be represented during any step of this procedure by any person designated by such party to act in his/her behalf.
- 10.4 Procedural Due Process. The grievance procedure contained herein shall not act as a substitute for procedural due process rights for individual employees, with respect to pre-disciplinary/discharge matters.
- 10.5 Days. Reference to days regarding time periods in this procedure shall mean work days. A work day is defined as all week days not designated as holidays by state law.

- 10.6 Time Limitation and Waiver. A grievance shall not be valid unless it is submitted to the City's designee, on the prescribed form, setting forth the facts and the specific provisions of the Memorandum of Understanding allegedly violated and the particular relief sought, within fifteen (15) days after the date the grievant knew or in the exercise of reasonable diligence should have known of the event giving rise to the grievance occurred. Failure to file or process any grievance within the prescribed time limitation may constitute a bar of such grievance.

Failure by the City's representative to issue a decision within the time periods provided herein shall constitute a denial of the grievance and the grievant may appeal to the next level. The City's representative, prior to issuing a decision at Step 1 or Step 2, shall meet with the grievant and his/her representative, if any. Any issue or dispute concerning the procedures of this grievance procedure, including the timeliness of the filing or processing of a grievance, shall be subject to determination by the hearing officer.

- 10.7 Informal Conference. Prior to filing a formal grievance, an employee should discuss his/her grievance with his/her immediate supervisor in an effort to adjust the alleged grievance informally.
- 10.8 Step 1. If the grievance is not resolved through the informal conference with the immediate supervisor, the employee must file a grievance with the watch commander or the Police Chief's designee within the time prescribed in paragraph 10.6. A written decision shall be given to the grievant within ten (10) days after receipt of the grievance.
- 10.9 Step 2. If the grievance is not resolved at Step 1, the grievant shall have ten (10) days after receipt of the Step 1 decision to file a written appeal to the division commander or the Police Chief's designee.

A written decision shall be given to the grievant within ten (10) days after receipt of the appeal. The grievant may request a meeting with the Police Chief prior to the issuance of this decision.

- 10.10 Step 3. In the event the grievance is not resolved in Step 2, the grievant may appeal within fifteen (15) days by filing written notice with the City Manager.
- 10.11 If, within the fifteen (15) day appeal period, the employee involved does not file said appeal, unless good cause for the failure is shown, the action of the City Manager shall be considered conclusive and shall take effect as prescribed.
- 10.12 Except as provided hereinafter, the grievant may appeal the decision of the City Manager within fifteen (15) days of his/her decision by providing the City Manager with a written notice of such appeal. The appeal from the City Manager shall be conducted before a hearing officer mutually selected by the parties. Notwithstanding the foregoing provision, the decision of the City Manager shall be final in minor disciplinary matters which do not subject the grievant to time off or for unsatisfactory comments in performance evaluations wherein the overall performance evaluation is rated as satisfactory or better.

The City Manager shall request a panel of seven (7) arbitrators from the California State Conciliation Service within fifteen (15) days of receiving such a request. The arbitrator shall be selected to hear the grievance by alternately striking names from such a panel beginning with the aggrieved employee.

- 10.13 Conduct of Hearings. All hearings shall be open to the public, provided, however, that the hearing officer shall, at the request of the employee, exclude the public from all or any portion of such hearings.

The hearing need not be conducted in accordance with technical rules relating to evidence and witnesses, but hearings shall be conducted in a manner most conducive to determination of the truth.

The hearing officer shall determine relevancy, weight, and credibility of testimony and evidence. He/she shall base his/her findings on the preponderance of evidence.

Decisions made by the hearing officer shall not be invalidated by any informality in the proceedings.

The hearing officer shall not have the authority to add to, modify, or subtract from this Agreement or to take testimony from one party outside the presence of the other. The hearing officer shall not have the authority or power to render a binding decision that requires the City to expend additional funds, to hire additional personnel, to buy additional equipment or supplies, or to pay wages or benefits not specifically provided for in this Agreement or to take any action which would be in violation of Federal or State laws.

In disciplinary matters, the hearing officer may sustain or reject any or all of the charges filed against the employee. He/she may sustain, reject or modify the disciplinary action invoked against the employee. He/she may not provide for discipline more stringent than that invoked by the appointing authority.

The parties, through their respective counsel, shall, if deemed appropriate, adopt and implement Step 3, Hearing Rules, for Conduct of Hearing.

- 10.14 Hearing Officer's Decision. The hearing officer shall render his/her decision as soon after the conclusion of the hearing as possible and in no event later than ten (10) working days after conducting the hearing. His/her decision shall set forth which charges, if any, are sustained and the reasons therefor. The hearing officer's written findings and conclusions which support his/her decision shall be filed with the City, the charged employee and his/her representative, the City Clerk and the City Manager. The decision of the hearing officer is final and binding and shall be implemented by the personnel officer, subject only to the appropriate legal recourse of the City or Association pursuant to CCP Section 1094.5. The cost of the hearing and the hearing officer's fees shall be borne equally by the parties.

## ARTICLE XI - COMPLETION OF MEET AND CONFER

  - (b) Health Benefits Committee - Formed to investigate cost savings measures with regard to the rising cost of health care. Association agrees to participate in the Committee and consider minor adjustments to our health care plans. Any such adjustment shall not adversely affect the cost of health care to Association as an organization or to any individual Association member.
  - (c) Discussion of Retiree "Tier One" - Discussion of outstanding issues relating to retiree medical for 'Tier One' employees, hired between 1990 to 1998.
  - (d) Discussion of Administration of Extended Medical Leaves of Absence – The parties upon to meet upon the request of one party, and prior to the expiration of this agreement, to discuss the administration of extended medical leaves of absence. The parties agree that any modifications may only be achieved by agreement of the parties (no unilateral imposition, fact-finding or impasse).
  - (e) Discussion in April 2017 of the hearing officer procedures set forth in Sections 10.13 and 10.14. The parties agree that any modifications may only be achieved by agreement of the parties.
  - (f) Discussion in July 2018 of the possibility of a special assignment stipend. The parties agree that any modifications may only be achieved by agreement of the parties (no unilateral imposition, fact-finding or impasse).
  - (g) The parties agree to a limited reopener to fix any grammatical, internal citations, or any general “clean-up” matters that do not involve substantive changes to the Agreement. The parties agree that any modifications may only be achieved by agreement of the parties (no unilateral imposition, fact-finding or impasse).

## ARTICLE XII - SAVINGS CLAUSE

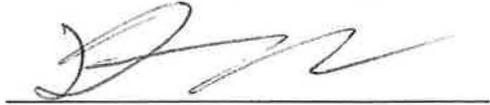

12.1 Should any provision of this Memorandum of Understanding, or any application thereof, be unlawful by virtue of any federal, state or local laws and regulations, or by court decision, such provision shall be effective and implemented only to the extent permitted by such law, regulation or court decision. But in all other respects, the provisions of this MOU shall continue in full force and effect for the term thereof.
