

Whereas, in 1872, J. Sterling Morton proposed to the Nebraska Board of Agriculture that a special day be set aside for the planting of trees, and

Whereas, this holiday, called Arbor Day, was first observed with the planting of more than a million trees in Nebraska, and

Whereas, Arbor Day is now observed throughout the nation and the world, and

Whereas, trees can reduce the erosion of our precious topsoil by wind and water, cut heating and cooling costs, moderate the temperature, clean the air, produce oxygen, and provide habitat for wildlife, and

Whereas, trees are a renewable resource giving us paper, wood for our homes, fuel for our fires and countless other wood products, and

Whereas, trees in our city increase property values, enhance the economic vitality of business areas, and beautify our community, and

Whereas, trees, wherever they are planted, are a source of joy and spiritual renewal, and

Whereas, the City of Hemet has been recognized as a Tree City USA by the National Arbor Day Foundation and desires to continue its tree-planting practices

Now, therefore, I, Marc Searl, Mayor of the City of Hemet, which has been chosen as a Tree City USA, do hereby proclaim April 13, 2007, as

**Arbor Day**

in the City of Hemet, and urge all citizens to celebrate Arbor Day and support efforts to protect our trees and woodlands, and

Further, I urge all citizens to plant trees to gladden the heart and promote the well-being of this and future generations.

Dated this 13<sup>th</sup> day of April, 2007.
